Your Very Own Magical Place

by Cristina Kim

Illustrated by Jennifer Pratt

As the evening calm begins to near,
We know the time to sleep is here.

The gentle dark will take the day,
And the moon is ready to come out to play.

The stars twinkle and glitter into a night,
That is ready for you to take beautiful flight.

Into a space that is special and new,
And this special place, is just for you.
This place is called the Innisphere,
It floats between your sleep and here.

On your way to your sweet slumber,
Be sure to take your time to lumber...
To your beautiful, magical Innisphere,
That is so happy that you're now here.

Look around and you will see,
That everywhere you want to be...
Is here within this special space,
Your Innisphere, the greatest place.

Now you're between sleep and awake,
Where dreams are there for you to take.

In your very own magical Innisphere,
The best of all dreams are waiting here.

Dreams are adventures for everyone,
With many laughs and lots of fun.

With lots to explore and things to do,
Your Innisphere dreams are just for you.

Your dreams can take you anywhere,
From here, to there, and everywhere.
This special place is full of friends,
It's full of life and has no end.

In your Innisphere, there's lots to see.
It holds your dreams and lets you be...
In your very own magical place.

Welcome to the Innisphere

mybestfriendinni and **baby max** are proud to bring you *Your Very Own Magical Place*.

This nursery rhyme takes your child to their special Innisphere, the magical place between sleep and here. The dreamy illustrations match the pure imagination of a child, and is sure to lead your little one to their very own magical place.

mybestfriendinni uses storytelling to connect children to virtues, values and their best friend Inni—their intuition. **mybestfriendinni** believes in the positive nature of intuition, and how it can help kids make good choices. **baby max** for toddlers, and **inni & friends** for older kids are part of the **mybestfriendinni** collections.

inni & friends takes kids to 5-year-old Max's Inniverse, the home of her best friend Inni, and Inni's friends and frenemies. Inni's friends are positive values, and together with Inni, they share adventures with the frenemies, which are negative traits and behaviours. Enjoy *Everyone Longs to Belong*—the first five-book series for older kids that shows how Inni plays a big part in how we use our values in our everyday lives.
